ELECTRONIC ARTS™

Electronic Arts™ – the world's leading interactive entertainment software company – delivers greater adventures in speed and space, combat and corruption than ever before! Electronic Arts PC Entertainment Division markets its products under six brand names: Electronic Arts, Maxis™, Origin™, Bullfrog™ Productions, Ltd., Westwood Studios™ and Jane's® Combat Simulations.

ELECTRONIC ARTS™

Electronic Arts™ – whether it's a high-speed chase in Need For Speed™ and Road Rash™ or intense dog-fighting, EA delivers a variety of adrenaline-pumping action for your PC.

Jane's® Combat Simulations – developed in cooperation with the world's most respected military hardware authority, raises the standard for realistic military simulations.

Maxis™ – the creator of SimCity™, gives players the power to build and rule their own simulated worlds.

Bullfrog™ – originator of the "god-game" genre, is the UK studio best-known for its combination of quirky humor, audacious game design, and technological advances.

Westwood Studios™ – combines cutting edge technology, breathtaking computer graphics, and superior game design to emerge as a leader in the world of interactive software.

ORIGIN™ – the studio where cutting-edge technology and fully realized science-fiction and fantasy backgrounds combine to make legends and create worlds.
